Sanders and Trump – Outsiders in American Politics

“These are exciting times for the Goldman School,” he says, “because the world, the nation and the state of California are facing thorny and complex public policy problems that rouse us to action.”

He received his PhD in Economics and Political Science from MIT in 1980. He has worked for the federal Office of Management and Budget and other organizations in Washington, D.C. He began teaching at UC Berkeley's School of Public Policy from 1978 to 1984, and he taught at Harvard and the University of Chicago before returning to Berkeley in 1990.

Dean of the Goldman School of Public Policy at the University of California, Berkeley
